Seven Births During Month Ending  
April 26.

The Times-Dispatch Bureau,  
5 Bollingbrook Street,  
(Phone 1485),  
Petersburg, Va., May 2.  
The Petersburg Daughters of the  
Confederacy, in their patriotic work  
of distributing flags yesterday in aid of  
the Stonewall Jackson monument fund,  
raised the sum of \$320. Committees of  
the Daughters were stationed at  
various points in the city, and remained  
at their posts all day, and there was  
no hint of importuning or begging of people  
to buy a flag. All contributions, from the  
smallest to the largest, were entirely  
voluntary.

## Mortuary and Birth Report.

The report of the Health Department  
for the month ending April 26, shows a  
total of fifty-one deaths and forty-  
seven births in the city. Of the de-  
ceased, eighteen were white and  
thirty-three were colored, and the total  
includes five nonresidents. Fourteen  
deaths were certified by the coroner,  
six bodies were sent to the city morgue,  
and the rest were taken to the city  
burial ground. Of those who died, eight  
were under five years of age and two  
were over eighty. Among the causes of  
death were: tuberculosis, 11; pneumonia,  
8; cancer, 2; external causes, 5. Of the  
twenty-six white and twenty-one colored.

## Three Times Robbed.

The sporting goods store of D. W.  
Branch, on South Swamore Street, was  
broken into last night and robbed of  
the seven finest pistols in the store,  
valued at \$91. Nothing else was taken,  
and the store was closed for business  
yesterday. Entrance was effected  
through a rear window by the use of  
an ax. This is the third robbery re-  
cently committed at this store, only  
the best pistols being stolen each time.  
The robber last night did not extin-  
guish the light in the store. He was  
seen by a citizen, who telephoned to  
police headquarters, but before officers  
could reach the scene he had escaped  
with his booty.

## Red Men's Memorial.

Under the joint auspices of Powhatan  
and Timpacane tribes of Red Men in  
this city, memorial services in com-  
memoration of the dead of the two  
tribes will be held to-morrow morn-  
ing at the second Presbyterian Church.  
Powhatan tribe has lost thirteen mem-  
bers and Timpacane tribe twelve. The  
program of exercises embraces inter-  
esting features, including special music  
and a sermon appropriate to the oc-  
casion by the pastor, the Rev. J. A.  
McClure.

## Sales of Tobacco.

Sales of dark tobacco this week  
were 50,250 pounds. Sales for the  
month of April, 725,995 pounds, and  
for the season to date, 4,941,215 pounds.  
Sales of light tobacco for the week  
were 26,048 pounds and for the season  
to date, 1,294,113 pounds. The  
farmers are just now very busy with  
their spring operations, taking ad-  
vantage of the very favorable weather  
for the last few days. A good deal of  
tobacco, especially of the dark grades,  
yet remains in the barns to be mar-  
keted.

## June 9 Memorial.

The Ladies' Memorial Association at  
a meeting yesterday afternoon dis-  
cussed plans for the observance of  
Confederate Memorial Day on June 9.  
A program of exercises will be ar-  
ranged, and the matter of the selec-  
tion of an orator for the occasion was  
assigned to a committee, consisting of  
Mrs. William B. Beasley and Mrs.  
Charles Kirkham. The exercises in  
Blandford Cemetery, where rest the  
remains of many thousands of Con-  
federate soldiers, always attracts a great  
crowd of people, and the afternoon of  
the day is honored by a general closing  
of business in the city.

**Retail Jewelers to Meet.**  
The Retail Jewelers' Association of  
Virginia, of which H. F. Silverthorn,  
of Lynchburg, is president, will meet  
in annual session in this city on May  
14 and 15, and it is expected that sixty  
or seventy representatives will be in  
attendance. The association will be  
welcomed by J. Gordon Eckman, and  
President Silverthorn will represent  
Topics of interest to jewelers will be  
discussed, reports received, and officers  
elected. The delegation will be driven  
to points of historical interest in the  
vicinity, and a banquet will be given  
in their honor.

**Watson the Nominee.**  
The Democratic Committee of the  
Fourth Congressional District met last  
night at Murphy's Hotel, Richmond, and  
declared Judge Walter A. Watson, the  
party nominee for Congress, he being  
the only candidate to announce him-  
self according to law. For like reason  
the committee called off the primary  
election, set for June 18.

**Personal and Otherwise.**  
Mrs. Irvin King, of Germantown,  
Pa., is visiting at the home of her  
father, J. M. Pleasants, corner of Hinton  
and Davis Streets.  
The tango dancant given last night  
in Library Hall by the Misses Mary  
Sterling Smith and Fannie Smith, was  
a brilliant social event. Between forty  
and fifty couples, representatives of  
the young social circles, were present  
and participated in the modern  
dances, and the enjoyment was kept  
up until a late hour.

The condition of Dr. R. M. Eldgood,  
adjutant of A. P. Hill Camp, of Con-  
federate Veterans, whose serious ill-  
ness has been mentioned in The Times-  
Dispatch, is reported as more favor-  
able to-day.

Memorial services in honor of the  
late President J. H. Johnston, of the  
Virginia Normal and Industrial In-  
stitute, will be held to-morrow after-  
noon in the Institute Chapel, and a  
large attendance, including many  
from Richmond and Petersburg, is ex-  
pected.  
Many people in Petersburg have pur-  
chased season tickets for the May  
Festival in Richmond.  
The board of directors of the Pe-  
tersburg Investment Corporation last  
night received plans for the new hotel  
from architects in Petersburg, Rich-  
mond, Norfolk, Atlanta and New York,  
and referred them to a committee, con-  
sisting of H. S. Seward and E. C.  
Kent, with instructions to select the  
three most available ones and confer  
with the architects submitting them.  
These architects will be asked to meet  
with the board of directors.  
The pupils of Jackson Public School  
yesterday celebrated Stonewall Jack-  
son Flag Day with interesting exer-  
cises.

County, in the Fifth Congressional  
District, is to be transferred from the  
Eastern to the Western Internal Re-  
venue District, Congressman Saunders,  
representing the Fifth District, has  
been working on this plan for some

Fifth District, with the exception of  
Charlotte County, is in the Western

ment to the sundry civil bill to-day  
to appropriate \$16,000 for the con-  
struction of a macadam road eighteen  
feet wide, from the wharf at York-  
town, Va., by the National Monument,  
to the National Cemetery.

Senator Swannow also introduced an  
amendment to the rivers and harbors  
bill, making an appropriation for a  
preliminary examination and survey  
for the improvement of Mattox Creek,  
York River, at the same time.

He also introduced a bill to appoint  
five members of the House and Senate  
to attend the exercises in connection  
with the unveiling of the monument to  
former President Tyler in Hollywood  
Cemetery in Richmond, within the next  
few months. Senator Swannow secured  
an appropriation of \$10,000 in the last  
session for the monument.

C. B. Camper, editor of the *Encounter*  
 Herald, was a visitor in Washington  
to-day, calling on Congressman Flood  
and others. It is generally under-  
stood that Mr. Camper will be recom-  
mended by Congressman Flood for  
postmaster at Elencastle, the vacancy  
occurring in June.

others to health.

Griffin, Lake Co., Ind.  
"Gentlemen: About Sept. 20, 1913, my  
mother-in-law was taken sick with Cat-  
arrhal Pneumonia, which developed into  
Tuberculosis. In January, when Rev. Wm.  
H. H. of St. Michael's Church, at Scher-  
erville, Ind., preached for her death, he recom-  
mended that I get Eckman's Alternative, and  
see if it would not give her some relief.  
The attending physician declared she had  
Consumption and was beyond all medical  
aid. Practically without hope for recovery,  
I insisted that she try the Alternative, which  
she did. I am glad to say that she soon  
began to improve. Now she works as hard  
as ever, weighs twenty pounds heavier than  
she ever did before she took sick and is in  
good health." (Abbreviated)  
(Affidavit) JOE GRIMMER.

bronchial catarrh and severe throat and  
lung affections and rebuilding the system.
